MEMORANDUM FOR THE RECORD

SUBJECT: Agency Release of Sidney Gottlieb Transcripts

I have had several conversations with Jim Wolfe, SSCI staff, about the Agency releasing the Gottlieb transcripts to Dr. Gottlieb and to the Plaintiff's attorney in the Glickman case. Wolfe is presently reviewing the documents following the Agency's review, and he is also monitoring the approval by the full Senate of their release to the public. Wolfe will notify OCA when we can release the documents and will also send out a new set of the transcripts which are to be released.

[redacted] will be monitoring this during my absence until 16 August.
